# RCX SYSTEM OPTIONS

## 1 DOOR STATIONS

— To receive a call from up to two door stations at either of up to five programmed master stations;

- (1) A call from door station is announced at all programmed master stations by electronic chime.
  - \* If the chime is 4 strokes, the call is from the first door station.  
Press **5** ► buttons.
  - \* If the chime is 2 strokes, the call is from the second door station.  
Press **6** ► buttons.
- (2) Talk handsfree. In RA-A, Pick up the unit and hold the bar switch and, in RA-D, pick up handset for private handset communication. When the door station is situated in a noisy area, you may press **T** (TALK) button to talk and release to listen.
- (3) If your system includes a door release, momentarily press **0** button during communication, which activates the timer circuits for opening the door.
- (4) Press **•** (OFF) button or hang up handset in RA-D to end communication with door station.

## 2 ADDITIONAL PAGING/REMOTE CONTROL

To select any YAW adaptor, press **7** ► buttons.

- (1) When continuous mono tone is heard;

### Paging with YAW-R or YAW-RA;

Press **[:]** button and an adaptor number button (0 ~ 9) (and a zone number button in YAW-RA 1 ~ 8). Make announcement depressing **T** button (and release to listen, if talkback is included). Press **•** button at end of announcement.

#### NOTE:

After selecting an adaptor number for YAW-RA, press zone number buttons (1 ~ 8) in succession for multiple zone page or **◎** button for all page (to 8 zones simultaneously).

### Remote operation of controlling ON/OFF of lights or door release, etc.;

Press **[:]** button and an adaptor number button (0 ~ 9) for YAW-S.

- \* When an intermittent tone is heard, the lighting function is in ON mode.
- \* When a continuous tone is heard, the lighting function is in OFF mode.

Alternate operation: Momentarily press **◎** button to turn on lights. OR  
Momentarily press **[:]** button to turn off lights.

Momentary operation: Press and hold **◎** button down to activate door release, etc.  
Press **•** button.

- (2) When intermittent tone is heard;

It means other station is operating paging or remote control and the channel is occupied. Press **•** button to disconnect and call later.

#### NOTES:

1. It is not possible to operate two or more adaptors at the same time.
2. Paging/remote control operations can be made by master stations RA-A, RA-B and RA-D.
